

6-3-20 Update:

Woodland Baptist Church will continue having a morning worship service only at this time. Services will be available for viewing on this website under Worship Ministries or live on our Facebook page: Woodland Baptist Church of Beaumont.

5-14-20 Update:

Woodland Baptist Church will be having a morning worship service on May 17th beginning at 10:45 a.m. This is the only scheduled service; no Sunday School, Sunday Evening Service, or Wednesday Night Service for the time being. Entrance to the sanctuary will only be through the main entrance and side covered portico. Hand sanitizer will be provided (if available) at both entrances and these entrances will be manned by persons to facilitate entry. Masks, if desired, will be the responsibility of each individual attendee. Pews will be taped off to encourage social distancing and 6 feet spacing (except for family members) should be maintained.

We realize that some members may not feel comfortable attending under these conditions and the service will continue to be offered online on Facebook and the church website. The recorded service should be available for viewing some time after noon.

We look forward to worshiping God collectively, whether in person or online. May God keep us safe and bless our efforts.
